

Mine + 9

The concept of Mine + 9 asks you to be accountable for your 'yes' vote plus the 'yes' vote of 9 of your friends, neighbors, relatives or coworkers. You would also be responsible for giving these individuals a reminder call to vote early, beginning on March 29th. Each of these 9 people are then asked to do the same with an additional 9 people. This develops an information and support network.

You can participate in this campaign by signing the pledge card below and passing it on to the nine individuals who sign your form. A printable version of this form can be found on the Highland levy website: highlandlevy.org

Together, we can make a difference!
